About Us

San Bernardino County Children's Network is an interagency council that coordinates services and programs to protect and support children and families throughout the county.

The Safe Sleep for Infants Program is offered in partnership with **Cribs for Kids®**, a national nonprofit dedicated to preventing infant sleep-related deaths by providing safe sleep education and free portable cribs to families in need.

CCRC is a 501(c)(3) nonprofit that advances child and family well-being through child care referrals, financial assistance, and early education, serving communities across Los Angeles' valleys and San Bernardino County.

Who Can Receive a Crib?

Families who:

- ✓ Live in San Bernardino County
- ✓ Have an infant under 1 year old or are pregnant
- ✓ Do not already have a safe crib
- ✓ Face financial hardship

How the Program Works

Call Child Care Resource Center (CCRC) to see if you qualify to participate.

Complete a referral form with staff.

If eligible, receive a portable crib at no cost and safe-sleep education.

Get a follow-up check-in after 3 months.

Portable cribs are provided at no cost by San Bernardino County Children's Network and made available to families through our partnership with Child Care Resource Center.

Why Safe Sleep Matters

Unsafe sleep is a leading cause of preventable infant deaths.

Remember the ABCs of Safe Sleep:

A

Alone: Baby sleeps alone, no toys, blankets, pillows

B

Back: Always place baby on their back

C

Crib: In a safe crib, bassinet, or play yard
